Golf Course:

The Banyan Club & Resort: Built among a pineapple plantation, Banyan Golf Club is the newest Hua Hin golf course, open in October 2008. The course provides for spectacular mountain and ocean views from most all of the holes and is by a wide margin the best layout in the area.

Address: 162/5 Naresdamri Road Hua Hin Prachuapkirikhan

Palm Hills Resort & Country Club is set against a beautiful backdrop of Petchaburi's mountain range and some amazing views of the Gulf of Thailand, the Palm Hills Golf Resort and Country Club is approximately two and a half-hours drive from Bangkok on the way to Hua Hin via route 4 from Cha-am. Separated by a rocky outcrop that extends from the mountain range, the course runs from east to west with lakes at each end and incorporates fast greens with some tricky borrows. The clubhouse fits well with surroundings. It too is stunningly beautiful.

Address: 1444 Petchkasem Rd. Cha-Am Petchburi

The Imperial Lake View Hotel & Golf Club with adjoining 75 -room hotel, features a 27 hole golf course in Petchaburi province. The course is located off the Cha-Am - Pranburi bypass road which branches off Route 4 just prior to Cha-Am town. Designed by Roger Packard in 1993, the course is truly absorbing. Although rolling fairways and spectacular mounds surround the greens - many of which are hidden by the trees - make some shots rather tricky, golfers are helped out by well defined fairways to get back on the right track. Particularly absorbing is the par three 14th where the player tees off from one small island with the intent of landing their ball on another small island 207 yards away.

Address: 80 Moo 4 Pranburi - Hubkrapong Rd., Sampraya, Cha-Am Petchburi

The Royal Hua Hin Golf Club opened in 1924, major renovations were carried out in the 1980's that have brought the club up to its present day standards. A round here is truly an unforgettable experience as players are continually faced with majestic views of the Gulf of Thailand. The par three 14th is one to behold, for a beautiful Thai temple forms a picture-worthy background. Testament to the club's age, and the Asia of the period that the club was built in, is the sight of the old Hua Hin, Bangkok-Singapore railway station which lies adjacent to the clubhouse, contributing an air of elegance to the course.

Address: Damneonkasem Rd., Amphur Hua Hin Prachuabkirikhan

The Majestic Creek Country Club, Thailand's foremost golf architect Dr Sukitti Klangvisai has produced a 7,123 yard layout that needs to be played with both imagination and skill. A maze of streams wind around the six-year-old course, which slowly trickle down from the surrounding mountains. However, be careful you don't exhaust yourself, one of the holes is an astonishing 770 yards long.
