

WEDDING PACKAGE

The Sarojin

Relaxation, freedom, inspiration, The Sarojin imparts unique, revitalizing experiences that last...so much so, that a sojourn with us is reminiscent of "staying as a guest at a friend's private estate".

The Sarojin's own team of personal guides and the elegant and inspired "imagineer" – the ultimate personal concierge, delight in creating personalized tailor-made adventures 'just for 2'. Perhaps a

private charter on the luxury boat Lady Sarojin? A personal jungle adventure 'just for 2' complete with champagne? A Thai cooking class and lunch by the waterfall? The limits are only your imagination...

Designed in a contemporary Asian style, lines blur and merge simultaneously with the natural local elements and landscape. The spiritual heart of the resort is an age old giant Ficus tree. A magnificent soul-soothing reflective lotus pond brings a sense of grandeur and peace to your environment.

56 Guest Residences nestle within the 10-acre grounds. Private access leads directly to an expansive white beach and the crystalline waters of the Andaman Sea that provide year-round swimming and water sports. Abundant space and privacy blend harmoniously with nature, offering a rare oasis for relaxation.

The grounds, walkways, sumptuous onyx infinity pool, lotus ponds, pure white beaches and restaurants serving scrumptious delicacies, they're all yours. When you choose, if you choose, Live Sarojin-style, in harmony and natural elegance as a guest who is the jewel in her crown.
